

PARENTAL OPT OUT FORM FOR CHILDREN'S PHOTOS

Our church website and social media sites are an excellent way to share photos. We are proud of our church and like to show what we are accomplishing in God's name. However, as we all know, any media posted on the internet is open to the general public. We know that we need to be respectful of everyone's privacy. This is especially true of our youth and children. With that in mind we feel that it is necessary to give parents the opportunity to opt out of having their child's photo posted on our church website and social media sites. As a parent if you do not want your child's photo posted please fill out the form below and return to the church office. We will make every effort to honor your request.
